According to Dr. Robert D. Gardner, Psychiatrist - Director of Central Virginia Mental Health Services, the show will open with a reception on Sunday, July 6 at 3 p.m.

The art show will include a summer showcase of the creative arts and crafts produced by the Central Virginia Mental Health & Mental Retardation patients, students and trainees.

The show is being held by CVMHS in cooperation with the Lynchburg Fine Arts Center.

Entries will be limited to the creative arts and crafts of patients, students and clients of CVMH&MR facilities & programs. Original crafts, wall-hung art and three dimensional arts and crafts for table display are suggested types of entries.

"We hope to repeat the successes of our past exhibitions which have attracted community recognition of our clients and programs," stated Dr. Gardner.

Dr. Gardner emphasized that there will be no judging of entries or prizes awarded. Anonymity will be preserved with titles for each entry and the name of the Mental Health or Mental Retardation facility under whose auspices it was submitted.

Entries for the show should be delivered to the Lynchburg Fine Arts Center during business hours from Mon. June 30, through Wednesday, July 2.

Anyone needing to store any of the art or craft entries before the show may contact Central Va. Mental Health Services at 847-9091 or Lynchburg Fine Arts Center at 846-8451.
